ASSIGNMENT OF LEASES

JAN 23 '02 3-01 PM

SURFACE TRANSPORTATION BOARD

THIS ASSIGNMENT AND AGREEMENT ("Assignment") is entered into as of December 20, 2000, by JERRY L. SAGEHORN, an individual ("Assignor"), for the benefit of BANK OF AMERICA, N.A., a national association ("Assignee").

WITNESSETH

WHEREAS, Assignor, as Borrower, has executed a certain Promissory Note ("Note"), payable to the order of Assignee, dated as of the date hereof, providing for the loan by Lender to Borrower of the sum of \$207,000.00, and capitalized terms used herein but not otherwise defined herein shall have the meanings ascribed to them in the Note; and

WHEREAS, Borrower's obligations under the Note are secured, inter alia, by a security interest in certain collateral described in the Chattel Mortgage and Security Agreement dated of even date herewith (the "Chattel Mortgage") and on Exhibit "A" attached hereto and by this reference made a part hereof (the "Collateral"); and

WHEREAS, Assignor has entered into various lease agreements, including without limitation those described on Exhibit "B" attached hereto and by this reference made a part hereof, and desires to enter into other lease agreements in the future (collectively, the "Leases") with various lessees ("Lessees") each of which leases, inter alia, one or more items of the Collateral to a Lessee; and

WHEREAS, pursuant to the Note, Assignee is willing to consent to the Leases if (i) Assignor will continue to remain responsible and liable under the Note for the full and complete performance of all of Assignor's obligations thereunder and (ii) Assignor assigns to Assignee the Leases as herein provided.

NOW, THEREFORE, Assignor hereby covenants and agrees as follows:

1. GRANT. Assignor does hereby grant, sell, transfer and assign to Assignee all of the right, title and interest of Assignor in and to each of the Leases, whether now existing or hereafter arising, but solely to the extent to which each Lease relates to a portion of the Collateral, together with all rentals, payments, income, profits, per diem mileage, mileage credits, excess mileage credits, insurance proceeds, and proceeds from requisition or taking ("Payments") now due and which may hereafter become due to Assignor by virtue of any portion of the Collateral being the subject matter, or a portion of the subject matter, of any of the Leases. The parties acknowledge that some or all of the Leases cover railcars or rolling stock owned by Assignor but which does not constitute a part of the Collateral, and that some or all of the Leases cover railcars, or rolling stock which is not owned by Assignor but with respect to which Assignor acts as agent for the owner/lessor thereof. By this Assignment, Assignor is only granting to and creating a security interest in Assignee to the extent any of the Leases, or any payments or proceeds deriving therefrom, relate to any portion of the Collateral. Hereafter throughout this Assignment, any and all references to the Leases are intended to be understood in the context of the foregoing limitation, unless specifically indicated otherwise. Upon the occurrence of a default under the Note (an "Event of Default"), Assignor hereby irrevocably appoints Assignee as Assignor's true and lawful attorney, in its name and stead (with or

without taking possession of the Collateral), to enforce said Leases and to collect all of said Payments.

2. SECURITY. This Assignment is for the purpose of securing:

(a) Payment in full of all sums, together with interest thereon, becoming due and payable to Assignee under the provisions of the Note, the other loan documents executed pursuant to the Note (the "Loan Documents") or pursuant hereto; and

(b) Performance and discharge of each and every obligation, covenant, condition and agreement of Assignor contained herein and in the Note and the Loan Documents.

3. REPRESENTATIONS AND WARRANTIES. Assignor covenants with and represents and warrants to Assignee that:

(a) Notwithstanding this Assignment and the exercise by Assignee of any rights assigned hereunder, Assignor will nevertheless, at all times for the duration of the Leases and at Assignor's sole cost and expense (i) perform and discharge each and every obligation, covenant, condition and agreement of Assignor under the Leases, and (ii) use reasonable diligence to enforce or secure the performance of each and every obligation, covenant, condition, and agreement to be performed by the Lessees pursuant to the Leases.

(b) No Payment under the Leases will be forgiven, released, reduced or discounted, or otherwise discharged or compromised by Assignor which materially adversely affects the obligations of the Lessees taken as a whole.

(c) Assignor is the sole party entitled to receive said Payments, and to enjoy all the other rights and benefits mentioned herein, and the same have not been heretofore nor will they be hereinafter granted, sold, transferred or assigned by Assignor to any other person. Assignor has the right to grant, sell, transfer and assign the same and to grant and confer upon Assignee the rights, interests, powers and/or authority herein granted and conferred, and no consent from any Lessee is required under the terms of the Lease with respect to which such Lessee is a party, nor has any such obligation for Lessee consent otherwise been agreed to by Assignor.

(d) (i) Assignor has the full power and legal right to make this Assignment and all proceedings necessary to authorize this Assignment have been taken; (ii) the existing Leases are in full force and effect, all Collateral has been delivered to and accepted by the Lessees pursuant to the Leases, and neither Assignor nor any of the Lessees are in default thereunder (exclusive of minor or immaterial defaults which do not affect any material portion of Leases, which are ordinary or customary in the industry or which are consistent with Assignor's prior course of dealing with such Lessees, and as to which Leases Assignor expects to fully realize the benefits granted by such Leases); (iii) the Note is in full force and effect and Assignor is not in default thereunder; (iv) the existing Leases are valid, binding and enforceable against Assignor and the Lessees in accordance

with their terms; and (v) the Note and the Loan Documents are valid, binding and enforceable against Assignor in accordance with its terms.

(e) Assignor will execute and deliver, immediately upon the request of Assignee, all such further assurances of assignment of the Leases as Assignee shall from time to time require, and will pay all recording and filing fees or other charges that may be incident to or may arise out of the recording of the same or of this Assignment. Assignor will execute upon request any and all instruments requested by Assignee to carry this Assignment into effect or to accomplish any other purposes deemed by Assignee to be necessary or appropriate in connection with this Assignment.

(f) Each of the Leases are and shall remain a true lease and not an installment sale.

#### 4. EXERCISE OF RIGHTS.

(a) Although it is the intention of the parties that this Assignment shall be a present assignment, it is understood and agreed that Assignee will not exercise any of its rights and powers hereunder until and unless there shall exist an Event of Default (as defined in the Note), and so long as none of the same shall occur, Assignor shall have the license to collect, but not in advance of their due date, all Payments due under the Leases and to retain, use and enjoy the same.

(b) If an Event of Default exists, Assignee may, at its option (i) enforce any and all of Assignee's rights and remedies under the Note and the Loan Documents, and/or (ii) take such action as it deems proper or necessary to collect the Payments from Lessees, which Payments Assignee may then retain, use and enjoy. In furtherance thereof, Assignee may make, cancel, enforce or modify the Leases, and do any acts or things which Assignee deems proper to protect the security hereof, and may, in its own name or Assignor's name, sue for or otherwise collect and receive the Payments, including those past due and unpaid, and apply the same in accordance with the provisions of this Assignment.

(c) In the exercise of the rights and powers conferred upon it by this Assignment, Assignee shall have the full power to hold, use and apply all of the Payments to the payment of or on account of any sums due under the Note, and to any cost and expense of collection, including reasonable attorneys' fees, in the Assignee's discretion.

5. NO LIABILITY OF ASSIGNEE. This Assignment shall not operate to increase Assignee's obligations or liabilities or decrease Assignee's rights and remedies under the Note. Assignee shall not be responsible for any loss, liability or damage under the Leases, or under or by reason of this Assignment, other than to the extent such loss, liability or damage arises from the gross negligence or willful misconduct of Assignee. Should Assignee incur any such liability, loss or damage, including without limitation such liability, loss or damage incurred in the defense of any claims or demands whatsoever asserted against Assignee under the Leases or under or by reason of this Assignment, the amount thereof, including costs, expenses and attorneys' fees, shall be

additional sums secured hereby, shall bear interest at the default interest rate specified in the Note, and Assignor agrees that it shall reimburse Assignee therefor immediately upon demand.

6. AUTHORIZATION TO RECOGNIZE CLAIMS OF ASSIGNEE. Each of the Lessees is hereby authorized to recognize the claims of Assignee hereunder when made under the sole signature of Assignee, without investigating the reason for any action taken by Assignee, or the validity of the amounts due and owing to Assignee, or the existence of any default under the Note or hereunder, or the application to be made by Assignee of any amount to be paid to Assignee. Following the occurrence of an Event of Default, checks for all or any part of the Payments collected under this Assignment shall be drawn at Assignee's option to the exclusive order of Assignee.

7. NATURE OF REMEDIES. The remedies herein set forth shall be deemed special remedies given to Assignee and shall not be deemed exclusive of any other remedies granted in the Note, the Loan Documents, or by law, all of which shall be cumulative with the remedies herein granted. Any right or remedy exercised hereunder by Assignee including, without limitation, the collection of the Payments and the application thereof as aforesaid shall not cure, modify or waive any default or any notice thereof under the Note or the Loan Documents or invalidate any act done pursuant to such notice. No delay or failure of Assignee to exercise any right or remedy hereunder or under the Note, the Loan Documents, or the Leases shall be deemed to be a waiver thereof, and the single or partial exercise by Assignee of any right or remedy hereunder, under the Note, the Loan Documents or the Leases shall not preclude any other or further exercise thereof or the exercise of any other right or remedy at any time.

8. CROSS DEFAULT. Any default by Assignor in the performance of any obligation, covenant, condition or agreement herein contained shall, at Assignee's option and following the expiration of applicable cure and/or grace periods set forth in the Agreement, the relevant provisions of which are incorporated herein by reference, constitute and be deemed an Event of Default under the terms of the Note.

9. BINDING. This Assignment and each and every covenant, agreement and other provision hereof shall be binding upon Assignor and its successors and assigns and shall inure to the benefit of Assignee and its successors and assigns.

10. DURATION. This Assignment shall continue in full force and effect until (i) the payment in full of all sums due to Assignee under the Loan Documents and the Note and (ii) the performance and discharge of each and every obligation, covenant, condition and agreement of Assignor thereunder and hereunder required to be performed on or before the date of payment in full of the Note.

11. SEVERABILITY. The unenforceability, illegality or invalidity of any provision hereof shall not render any other provision or provisions herein contained unenforceable, illegal or invalid, and this Assignment shall be construed as if such unenforceable, illegal or invalid provision had never been contained herein.

12. NOTICES. All notices hereunder shall be in writing and shall be deemed to have been duly given if sent as provided in the Chattel Mortgage.

13. APPLICABLE LAW; VENUE; SERVICE OF PROCESS.
